Fraudulent Job Offers / Recruitment Warning

**Attention: Tech Mahindra Job Aspirants & Applicants**

There have been an increasing number of ‘fake job’ reports wherein fraudsters have reached out to unsuspecting job aspirants and made fake job offers in the name of Tech Mahindra Ltd. This is an instance of identity theft and ‘reputation damage’.

We would like to state that Tech Mahindra does not resort to such means of recruitment. Any job offers made in the name of Tech Mahindra on the condition that the candidate makes a payment to a specified bank account or in cash should be construed as ‘Fake Offers’. Tech Mahindra Ltd will not be liable for any kind of loss incurred or damage suffered as a result of individuals dealing with such corrupt entities.

Tech Mahindra is committed to high ethical standards of operation. We have a zero tolerance policy to any issues that misrepresent our value systems or cause damage to our reputation. Please note that Tech Mahindra does not charge any fee or collect any deposit from candidates for any jobs and our hiring is purely based on principles of meritocracy and relevance.

We urge all candidates who are approached by third parties demanding cash payments for jobs at Tech Mahindra to immediately report the matter to us at corporateombudsman@techmahindra.com or to the local law enforcement authorities.

**Special features of System Generated Offer Letters:**

Tech Mahindra offer letters have an incorporated QR code on first page which directs job applicants to the Tech Mahindra career website.

You should have a QR-code app and a smartphone or tablet equipped with a camera.

**How Can I Verify My Offer Letter?**

Three simple steps –
1. Scan the QR code on your offer letter. Upon a successful scan, you will be directed to our Career portal at https://careers.techmahindra.com/.
2. Enter the Captcha code for first level verification.
3. On successful verification of the Captcha code, the QR app will display your key information – Applicant ID, Name and Email ID.

Note: Sometimes, the Offer Letter may not have the QR code, which could be due to technical issues. In such a case, please write to Tech Mahindra’s RMG Offer Verification team at RMGOfferVerification@TechMahindra.com.
